PORTFOLIO

**Not like the others.  
Not just the action.  
The soul of the event,  
its essence.**

**I block the movement,  
but not too much.**

Not only the technical gesture, but also the expression of faces, the gestures, the emotions of the athletes.

Arriving at the event as early as possible. I have my own technique and my own style in taking photos.

**OND LEAGU**

**My photos are powerful,  
engaging, emotional.**

I have covered very important events for  
major agencies around the world.

My photos have been published  
all over Europe and in other countries  
including Brazil and China.
